

International conference:

Community Nursing Towards Sustainable Health

Linnaeus University, Växjö, Sweden - June 21-22, 2022

Call for abstracts

We are very proud to be hosting the virtual ICCHNR-conference of 2022. Our aim is to turn this into an opportunity for researchers from near and far to present their most recent findings in the field of "Community nursing towards sustainable health".

Conference subthemes are:

- Innovation and new trends
- Diversity and equality in community health care
- Life span health in community nursing
- Health policy
- Nursing workforce
- Beyond the digital age
- Chronic illness
- Beyond Covid-19 (catastrophic situations)
- Immigrants and Migrants health

Abstract guidelines:

No more than 20 words in the title

No longer than 250 words

No references included in the text

It must be written in English

It must include the following sections:

- Background
- Aim of the study
- Methods
- Results
- Conclusions and Implication

Submissions:

We accept both oral- and poster presentations. The submission system will be open until January 7, 2022:

<https://open.lnu.se/index.php/icchnr/login>

Notifications:

Notifications regarding the status of your abstract will be sent once the review process is complete. Only the accepted abstracts of fully registered and paid presenters will be included in the final program.
