

# Call for men from black African ancestry to test a prostate cancer app

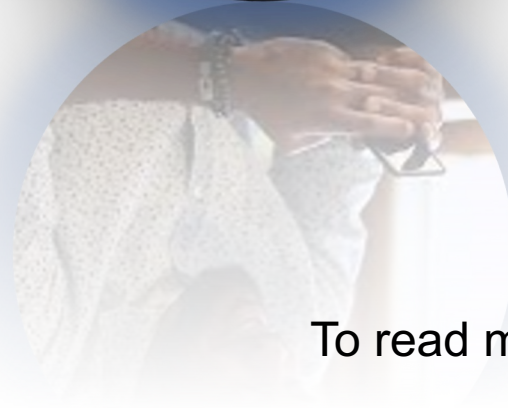

**S**ymptom reporting

**P**rostate symptoms

**E**ngagement

**A**wareness raising

**K**nowledge exchange

**Are you a man of black African ancestry?**

**Do you reside in the UK?**

**Would you like to test the SPEAK app?**

**We are interested in understanding how the SPEAK app can help black men identify prostate symptoms and seek help in a timely manner for prostate concerns.**
